Dear Dr. Harrison,

Project Budget Revision and Annual Work Plan

In regards of our joint program “Action Abu Dhabi: Transforming the HIV response in a rapidly developing society”, and now that the inconsistencies in both the authority’s and UNDP’s financial reports have been resolved, kindly find enclosed the project extension and revised project workplan and budget for 2012 for your signature.

We look forward to receiving your feedback.

Sincerely,

Gordon Johnson
UNDP Deputy Resident Representative

Dr. Oliver Harrison
Director of Public Health and Policy Division
