**Brief Description**

During the year 2019 UNDP Armenia will continue facilitating the development of regulatory frameworks for strengthening environmental management to ensure implication of sustainable development practices. UNDP will further increase the capacity of NGO/CBOs through their involvement into the Small Grants Programme – a corporate Programme of the GEF. The implementation of Activities of the AWP will be coordinated with activities of other portfolios of UNDP, particularly the ones related to the Community Development issues. The AWP will be the instrument referred to as the Project Document in Article 1 of the SBAA between the Government of Armenia and UNDP, signed on March 8, 1995 and ratified on February 9, 2000.
