Venue: Baku, Marriot/Absheron hotel

Workshop timetable:

DATE	ACTIVITY
15.18.2013	Workshop on the National Reporting on Convention on Biodiversity

Objectives and outcomes:

The workshop has the following objectives and outcomes:

- 1) To present to the audience Azerbaijan’s obligations under the UN Convnention on Biodiversity;
- 2) Present to the audience “National Biodiversity Planning to Support the implementation of the CBD 2011-2020 Strategic Plan in Azerbaijan” Project
- 3) Discuss with the national counterparts Azerbaijan’s approach to the 5th National Reporting and to the 2nd NBSAP.

The event was attended by 40 participants representing the government agencies, international organization, the parliament, NGO community and academia (the List of participants is attached).

The Presentation on Azerbaijan’s obligations under CBD was made by the head of sector of the MENR, the Project Director for “National Biodiversity Planning to Support the implementation of the CBD 2011-2020 Strategic Plan in Azerbaijan” Project Mrs. Sadagat Mammadova.

The Project Manager Mr. Rashad Allahverdiyev made presentation on the “National Biodiversity Planning to Support the implementation of the CBD 2011-2020 Strategic Plan in Azerbaijan” Project. In his presentation he made the audience familiar with how the Project is going to support the country’s efforts to fulfill its obligations under CBD. (Presentations are available).

The second half of the Workshop was facilitated by the Lead International Consultant (LIC) for the Project, Mr. James Jackelman.

The specialists, together with the NGO representatives discussed the process through which the country will work on the 5th National Report and on the 2nd NBSAP. The time-table of the work has been discussed and set. The distribution of the Global Aichi Targets among task groups of the “National Biodiversity Planning to Support the implementation of the CBD 2011-2020 Strategic Plan in Azerbaijan” Project were discussed to allow the LIC to prepare ToRs for each consultant that will lead the respective working group.

Thus, the workshop achieved all its stated goals, namely, familiarized the participants with the country’s obligations, with how the Project will assist the country in meeting those obligations, and helped to develop a mechanism and time-table through which the work will be conducted.
