Hi, Yolande,

Thank you for your message. The mission dates are noted. Depending on the flight availability from Grenada to Panama and Suriname, Gonzalo and Peggy may need to fly out on Saturday in the morning if some meetings are scheduled on that day. We'll check along with budget and revert.

While UNDP helps her travel arrangement etc., I assume GoG invites Peggy to participate in these sessions. Am I correct?

We'll review the agenda and revert to you with comments, if any. My first reaction is that the programme says 6-8 September, that means that the structure of all events with different target audience will be the same?

Thank you and best regards,
Chisa

Hi Chisa

Yes you can schedule a 3-day mission but Gonzalo and Peggy can fly out on the evening of September 9th - to accommodate face to face with key persons who may need, like myself, WB & CDB programme managers.

We will follow up next week with number participants.

The venue and caterer has been booked. GIS has to confirm availability to record (video) the sessions, rapporteurs wouldn't be required.

Attached is a draft Agenda for your feedback, it will be placed in the SDGs brochure.

Regards
Yolande

Thanks, Yolande. So can we (Gonzalo and a staff from Barbados) schedule a three day mission from 6 to 8 Sep instead of 5 to 9 or do you have any other ideas for work on these days? Regards, Chisa

Hi Chisa

This was our proposal:

- September 6th - Senior management Board and Divisional Heads including the Ministry of Finance & Economic Development Management Team and SDP Committee
- September 7th - Parliamentarians (including cabinet)
- September 8th - Social Partners

I will give you an update soon. Invitations were sent but our Corp. Comm. Head is networking to secure attendance.

Hi, Yolande,

Thank you for the indicative budget. I agree with your idea of inviting Ms. Panka and I ask Nathalie to work on the entire budget including three visitors for the week (one from Panama, one from Barbados and one from Suriname).

Do you have an indicative programme? Has "save the date" been sent out to secure attendance of the target audience?

Thanks,

Chisa

Subject: Indicative Budget

Hi Chisa

Please find indicative budget attached for local coordination.

Regarding printing materials, the presenter should advise on materials that maybe needed.

Additionally, Steve suggested in an earlier conversation that having a presentation on lessons learned from Suriname could be added value. I

recently participated in a webinar with Ms. Peggy Panka from Suriname, who shared her experience in that process. We would like to invite her for the engagements with the SMB and SPN sessions. Please share your thoughts.
