Subject: Fund from Regional Centre Colombo for supporting China's New Poverty Reduction Strategy

This is to request for approval of allocating the fund from Regional Centre Colombo with the amount of USD 100,000 into the Project 00073197.

The fund from Regional Centre Colombo for supporting the above-mentioned activity was approved in the PO 0000002949. The initiative by UNDP to support China's New Poverty Strategy consists of series of policy researches and dissemination activities, payment will be made in instalments, the approved PO was made to UNDP China rather than the specific vendors. The fund category is 04240. Expenditure in this Fund needs approved ASL. The fund from the Regional Centre Colombo is from the project 00058654. The ASL for this project was given to the Regional Centre Colombo. UNDP China office may not get extra ASL for this amount. In order to manage the fund, we set up a Project 00073197 in Atlas and propose to allocate the fund from the Regional Centre Colombo to this project using fund code 11888

Your approval is very much appreciated.

Dear Nap, to make sure we can effectively use this funds, this option has been worked out in consultation with our finance Unit, Ms. Grace Luo she.
