**Note to File****Operational and Financial Closure of Award# 00060083**  
**'Enhance Efficiency & Accountability of the Public Sector' Project**

Reference is made to the above-mentioned project where records on UNDP's Intranet and ATLAS indicate its end date as 2018 and is still listed as an active project on the system.

There are no online or offline records for this project except for an unsigned final budget revision and a clearance from the former RBM specialist. (attached for ease of reference)

This note to file serves to justify a choice to declare this project both Operationally and Financially closed pending UNDP Egypt Country Office Senior Management's approval.
