

REPUBLICA DA GUINE BISSAU

Programme Document

Building National Capacities for Dialogue and Collaborative Decision-making in Guinea-Bissau

Summary of Programme: The overall aim of the programme is to strengthen capacities for dialogue and collaborative decision-making in Guinea-Bissau. It envisages three main outcomes: (i) national capacities and processes for dialogue and inclusive decision-making strengthened; (ii) civil society's and media's role to support peacebuilding enhanced; (iii) youth's role and contribution to peace initiatives and youth's resilience to violence strengthened. The envisaged duration of the programme is four years. Activities for the first two years are detailed in the present document and related budget, while activities for the following two years will be determined during the mid-term review.

September 2008
