

15 July 2010

Dear Ms. Mazza,

I am pleased to inform you that the BCPR Project Appraisal Committee (BPAC) has approved the allocation of a total amount of USD961,395 (nine hundred sixty-one thousand three hundred and ninety-five) to support the Rule of Law Project in Guinea Bissau. Funding will be made available from the conflict prevention window of the Thematic Trust Fund for Crisis Prevention and Recovery (Atlas fund code: 26920; donor code: 00182).

In accordance with our resource management guidelines, you are kindly requested to submit a signed project document, including the Annual Work Plan (AWP), within the next 90 (ninety) days. BCPR will then establish an authorized spending limit (ASL) in Atlas accordingly. Please ensure that electronic copies of the signed project document, as well as quarterly progress reports, are updated in Atlas.

If the signed project document is not received within 90 days, funds will be reverted back to the original fund.

Please do not hesitate contacting your BCPR regional team (bcpr.africa@undp.org), led by Mr. Prosper Bani, for any additional support you might require. We look forward to working with you and your team in supporting your office on crisis prevention and recovery.

Yours sincerely,
