

Empowered lives.  
Resilient nations.

New York, 6 August 2013

Dear Ms. Topping,

As per our letter dated 19 August 2011, under the Global Climate Alliance Programme, Mozambique received \$25,000 through the Gender Thematic Trust Fund for the project "Enhancing women's role in climate change, disaster risk reduction and environment activities in Mozambique".

The key project results to date have been a stocktaking exercise, and guidelines for increasing women's participation and representation in local management committees for disaster risk reduction, climate change, and environment initiatives in Mozambique.

Based on a request from your office to further support the above initiative, I am pleased to inform you that we have decided to provide additional allocation of \$7,650 to facilitate the finalization of the project activities. The COA to access the fund remains unchanged and provided below.

Our colleague Ms. Lucy Wanjiru, Programme Specialist in UNDP Gender Team will be coordinating with your team to ensure successful implementation of the above initiative.

With best regards,

A handwritten signature in black ink, appearing to be "Randi Davis", is written over a horizontal line.

Randi Davis  
Officer-in-Charge  
UNDP Gender Team  
Bureau for Development Policy

A handwritten signature in blue ink, appearing to be "Jas", is written to the right of the typed name.
