International Climate Initiative (IKI)

Contribution by the German Federal Government to the project “Supporting developing country capacity to address science-policy questions through IPBES via the UNDP managed Biodiversity and Ecosystem Services Network (BES-Net) and the UNEP-WCMC hosted Sub-global Assessment Network (SGA Network)”

Agreement of 3 December 2015

Request for extension of the project duration of 3 August 2020

Reference: 42206-9/59

Project number: 15_IV_059_M_UNDP_BES-Net

Bonn, 27. October 2020

Dear Mr. Kurukulasuriya,

With reference to your request dated 3 August 2020, submitted via e-mail on 19 August 2020, concerning the extension of the project duration until 30 June 2021 I herewith accept the requested extension.

The project proposal and the budget plan form an integral part of the Grant Agreement of 3 December 2015. All other provisions of the Agreement shall remain unchanged.

Federal Ministry for the
Environment, Nature Conservation
and Nuclear Safety

If you agree to the amendment to the Agreement, I would be grateful if you could sign and return the attached Copy.

I wish you continued success in implementing the project.

Yours sincerely,

for the Federal Ministry for the Environment, Nature Conservation and
Nuclear Safety
