

**Intended Outcome as stated in the UNDAF/Country [or Global/Regional] Programme Results and Resource Framework:**

Impact: Countries are transforming their economies to eradicate poverty, increase jobs and social equity, strengthen livelihoods and environmental stewardship, and sustain investment and growth in line with the Sustainable Development Goals, the Paris Agreement and other sustainable development frameworks

Overall outcome: Countries reframe economic policy around sustainability and strengthen enabling policies and practices that catalyze greater public and private investment in infrastructure, resource efficient technologies and economic activities that benefit the whole society.

1 Contributing SP Outcome: 1: Advance poverty eradication in all its forms and dimensions. (SP Outcome 1)

**Applicable Output(s) from the UNDP Strategic Plan:** Signature Solution 4: Promote nature-based solutions for a sustainable planet.

**Project title and Atlas Project Number:**

EXPECTED OUTPUTS <sup>6</sup>	OUTPUT INDICATORS <sup>7</sup>	DATA SOURCE	BASELINE (2020)	TARGETS (by frequency of data collection) (ANNUAL for each year, CUMULATIVE for final year)					DATA COLLECTION METHODS & RISKS
			Value	Year 1 (2021)	Year 2 (2022)	Year 3 (2023)	Year 4 (2024)	Final Year (Cumulative)	

<sup>6</sup>Outputs 3 and 4 are both global. At the same time they also have direct national level impact in the targeted PAGE countries. This means that the global knowledge products and courses that PAGE supports are directly linked to national capacity building. In addition, PAGE conducts more targeted capacity development at the national level.

EXPECTED OUTPUTS	OUTPUT INDICATORS <sup>7</sup>	DATA SOURCE	BASELINE (2020)	TARGETS (by frequency of data collection) (ANNUAL for each year, CUMULATIVE for final year)					DATA COLLECTION METHODS & RISKS
			Value	Year 1 (2021)	Year 2 (2022)	Year 3 (2023)	Year 4 (2024)	Final Year (Cumulative)	
Output 1 Countries have reinforced and integrated Inclusive Green Economy (IGE) goals and targets into SDG-aligned national economic and development planning through multi-stakeholder collaboration	<p>1.. Number of countries or provinces (at sub—national level) that i) are implementing/ii) have adopted or ii) are in process of adopting national development plans or cross-sectoral strategies integrating IGE priorities.</p> <p>2. Number of cross-sectoral national consultations and dialogues organized to mobilize public, private and civil society stakeholders, share results of policy analysis and defining IGE priorities</p>	<p>Government policy announcement &amp; official websites</p> <p>National and sub-national medium and long-term planning documents, their implementation plans and monitoring system</p> <p>National, regional, global SDG Reports</p> <p>Technical papers on policy measures/action plans National Steering Comm meeting minutes</p> <p>List of steering committee members and meeting minutes of its meetings</p> <p>Reports from PAGE national multi-stakeholder events</p>	<p>i) Started implementing 4</p> <p>ii) have adopted 5</p> <p>iii) in process 0</p> <p>13 cross-sectoral consultations</p>	.1	.1	1	1	13	<p>Data from IGE diagnostics, assessments, and policy analysis undertaken</p> <p>Data from action plans/ policy reforms adopted by govt</p> <p>Decisions of parliament</p> <p>Public, private and civil society stakeholders mobilized and engaged in cross- sectoral IGE prioritization</p> <p>Risks: Government stability Political Commitment</p>

			Value	Year 1 (2021)	Year 2 (2022)	Year 3 (2023)	Year 4 (2024)	Final Year (Cumulative)	
Output 2 Countries have access to finance and are implementing evidence-based sectoral and thematic reforms in line with national IGE priorities	2.1. Number of thematic and sectoral policies and instruments supporting IGE priorities that PAGE countries are i) implementing /ii) have adopted or iii) are in process of adopting	Government announcements National, sectoral reports Reports presenting results of diagnostics, assessments and analyses Strategy documents based on sectoral and thematic studies	Started i) implementing 4 ii) Have adopted 0 iii) In process 0	1	1	1	1	8	Data from sectoral and thematic diagnostics, assessments, and policy analysis undertaken  Data from advisory support integrated into the design and advancement of sectoral and/or thematic policies, strategies, and plans
	2.2 Number of sectoral or thematic consultations and dialogues organized that are informed/advised by results of sectoral policy analysis	Technical papers on sectoral and thematic policy measures /action plans /investment proposals Reports from PAGE sectoral or thematic mobilization events Meeting/workshop space Cooperation agreements	Sectoral Consultation, 6	1	1	1	1	10	Co-financing, complementary follow-up programming, pledges, PPPs agreements, MOUs
	2.3 Number of IGE financing partners mobilized and engaged including UNCT, donors, IFIs, development banks and private sector partners formally agreeing to co-financing, complementary follow-up programming, pledges, PPPs, etc.	National financial year reports; ODA reports National chamber of commerce reports/ documents	Partners, 0	1	1	1	1	4	Risks: Government stability Political Commitment

EXPECTED OUTPUTS	OUTPUT INDICATORS <sup>7</sup>	DATA SOURCE	BASELINE (2020)	TARGETS (by frequency of data collection) (ANNUAL for each year, CUMULATIVE for final year)					DATA COLLECTION METHODS & RISKS
			Value	Year 1 (2021)	Year 2 (2022)	Year 3 (2023)	Year 4 (2024)	Final Year (Cumulative)	
Output 3 Individuals, and institutions have acquired capacities needed to advance IGE	3.1 Number of global and regional leadership and training programs, modules and packages developed and delivered for individuals and institutions being offered to countries at global and national level	Training materials Report of training activities and participant lists Feedback forms	6 programmes and packages	1	1	1	1	10	Training materials Report of training activities and participant lists Feedback forms Surveys with trainees Impact evaluation of training programs Risks: Government stability Political Commitment Quality of training
	3.2 Number of people trained on IGE and/or using knowledge and skills acquired from the PAGE globally or regionally offered through on —line, on-campus or other training and capacity development programmes	Surveys with trainees Impact evaluation of training programs	1018 people,	85	85	85	85	1358	
	3.3 Number of national institutions which have strengthened capacities to deliver nationally tailored IGE policy analysis, IGE training, develop IGE related policies and lead related policy processes and stakeholder consultations		4	1	1	1	1	8	
	3.4 Number of people trained through national level training programmes		864 ppl (169 male, 119 fern)	72	72	72	72	1152	
	3.5 x% of participants who report having increased their capacity in IGE issues in global and regional training programmes		90% Global GE Academy	25%	25%	25%	25%		

EXPECTED OUTPUTS	OUTPUT INDICATORS <sup>7</sup>	DATA SOURCE	BASELINE (2020)	TARGETS (by frequency of data collection) (ANNUAL for each year, CUMULATIVE for final year)					DATA COLLECTION METHODS & RISKS
			Value	Year 1 (2021)	Year 2 (2022)	Year 3 (2023)	Year 4 (2024)	Final Year (Cumulative)	
Output 4  National and regional stakeholders have access to knowledge for advancing IGE and sharing their insights and innovation with peer groups,	4.1 Number of IGE knowledge products generated and made available on PAGE website for national level application	Impact evaluation among PAGE countries  Published reports/products  Reports/minutes of key events/participant lists	7 knowledge products	1	1	1	1	11	Knowledge products generated and shared through north-south-south collaboration  Global IGE advocacy, outreach and communications strategy Accounting the number of users visiting the global PAGE website per quarter, number of monthly PAGE newsletter subscribers, number of UN PAGE Twitter followers (@_un_page), Linkdin (@Partnership for Action on Green Economy (PAGE)); Instagram (_UN PAGE) followers  Risks:  Government stability Political commitment Buy-in from respective governments
	4.2 Number of global and regional knowledge sharing events and dialogues held in cooperation with other partners	Annual reports, Mid-term Evaluation report: list of institutions partnering with PAGE at global and national level	16 knowledge sharing events	2	2	2	2	24	
	4.3 Number of institutions and initiatives collaborating under a wider PAGE network (North—South, South-South)	PAGE Instagram account PAGE Twitter, LinkedIn accounts statistics	16 institutions & initiatives	1	1	1	1	20	
	4.4 Number of PAGE countries that report having made use of PAGE knowledge products for the implementation of IGE priorities at national level		20	2	2	2	2	28	
	4.5 Global IGE advocacy, outreach and communications strategy developed and put in practice	PAGE Mid-term evaluation report	4	1	1	1	1	8
