Dear Mr. Arora,

This has reference to your mail dated 13<sup>th</sup> December, 2011 on the above mentioned subject. As you are aware that the project "Phase-out of CTC in Metal Cleaning" has been successfully implemented and 8 large consumers and a large number of Small and Medium Enterprises (SMEs) have been the beneficiaries in this sector. Though, the use of CTC has already been phased-out, the production of CTC and the sustainability of the CTC phase-out is still to be monitored.

In view of above, Phase-out of CTC in Metal Cleaning project may be extended till December, 2013.

With kind regards,

Yours sincerely,
