Approval of the third progress report

25 February 2021

Dear Dr. Conille,

Reference is made to the third progress report of the programme titled "*Strengthening Human Resilience Programme in Northern Clarendon and West Kingston*" (UDP-SA-17-002) funded by the UN Trust Fund for Human Security (UNTFHS).

It is my pleasure to inform you that the 3rd progress report has been reviewed and approved in accordance with the rules governing the UNTFHS. We are encouraged by the progress made in this reporting period despite the challenges posed by the COVID-19 pandemic and commend the efforts to adapt the programme's activities to this new context and the increased strain on vulnerable groups.

We look forward to working with you to ensure smooth implementation in this final year of the programme.

Yours sincerely,

Mehrnaz Mostafavi
