Subject: **Authorization for Direct Implementation (DIM) for Award 00072584
Project 00096208 "Support to Effective Implementation Project
(SEIP)"**

This is in reference to the letter from your predecessor requesting direct implementation for the above mentioned project.

We note that this request was received after the start of the referred project and is informed by the findings of the UNDP Office of Audit and Investigations (OAI) February 2015 audit of UNDP Jamaica. As a result we hereby authorize direct implementation as of 01 October 2015 through 31 December 2016.

In view of the increased responsibilities in exercising delegation of direct implementation, we emphasize the importance in receiving at the end of the period a report for this project (financial and narrative). The report should also include, where applicable, a description of the problems encountered and the solutions adopted.

Best regards,
