Reason/Comments

This is a request for a no-cost extension of the above referenced project for 6 months (until June 2017). The project is implemented by FAO, UNDP, UNICEF, WFP and the total approved amount is USD 1,400,000. The RUNOs experienced some delays at the inception phase of the project, and some activities took longer than initially planned given the sensitive nature of the cross-border work. The six-month extension will enable the RUNOs to complete all the activities of the project. The requested no-cost extension will not have any implication on the budget or scope of the project.
