UNDAF Outcomes(s):

Increased efficiency and effectiveness of the Public Administration and Decentralized Governance structure to deliver basic service

Country Program: Enhanced enabling environment for democratic local governance and development

Title: Project to Support Democratic Development through Decentralization and Deconcentration (PSDD)

Start date: 1st February 2007-

End date: Dec 31st 2009

Management arrangements:

PSDD will be managed by the NCDD and its secretariat and classified as a national implementation project. The chair of the Programme Support Team will be the National Project Director who is responsible for the overall management of the development cooperation activities and for ensuring that the PSDD Project is managed in an effective and accountable manner. The National project Director will be assisted by two deputies and by a head of 4 units.

Project Site: All 24 provinces

Primary areas of focus:

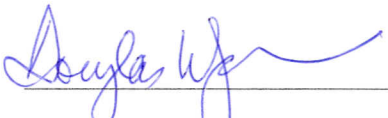

The goal of the PSDD is to reduce poverty in Cambodia through support to D&D reform. The specific purpose of PSDD is to improve governance, service delivery and development for the rural poor. Progress will be realized by a focus on three objectives:

- Objective 1: strengthening local government systems and structures to enable pro-poor investments and service delivery to be improved;
- Objective 2: increasing the quality, accessibility and equity of services; and
- Objective 3: prior to and following enactment of the organic law on D&D, supporting a more effective policy, legal, political, institutional and administrative framework that will give the poor greater access to and benefits from local services.

Primary Beneficiaries: Rural population/people of Cambodia

Total Budget: 34.8 m US\$ over 3 years.

Partners: Sida, DFID and UNDP
