PERMANENT MISSION OF JAPAN
TO THE UNITED NATIONS
NEW YORK

16 April 2013

Dear Mr. Nihei,

I write with reference to your letter dated 21 March 2013, regarding no-cost extensions for the following three projects in Libya, funded by the Japan-UNDP Partnership Fund:

- Early recovery to sustain humanitarian gains and ensuring transition to recovery in Libya;
- Libya strengthening Resident Coordinator Office capacities for effective positioning of the UNCT post-conflict recovery planning;
- Support to Transitional Governance Structure

In this regard, I would like to inform you that the Government of Japan has approved the request to extend these projects to 31 March 2014. UNDP is expected to make every effort to complete these projects by the new end date.

In addition, the Government of Japan reminds UNDP to submit final project reports, including a financial report, upon completion of each project.

I thank you in advance for your cooperation.

Sincerely,

Yasuaki Momita
First Secretary
