activities completed have been submitted to and accepted by UNDP as showing satisfactory management and use of UNDP resources.

2. TVM agrees to utilize the funds and any supplies and equipment provided by UNDP in strict accordance with the Annual Work Plan. TVM shall be authorized to make variations not exceeding 20 per cent on any one line item of the Project Budget provided that the total Budget allocated by UNDP is not exceeded. TVM shall notify UNDP about any expected variations on the occasion of the quarterly consultations set forth in Article IV, paragraph 3, above. Any variations exceeding 20 per cent on any one- line item that may be necessary for the proper and successful implementation of the Project shall be subject to prior consultations with and approval by UNDP.

2. Financial reporting will be quarterly:

(a) TVM prepares a financial report and submits it to the UNDP Resident Representative no later than 30 days after the end of each quarter, in Portuguese and English.

(b) The purpose of the financial report is to request a quarterly advance of funds, to list the disbursements incurred on the Project by budgetary component on a quarterly basis, and to reconcile outstanding advances and foreign exchange loss or gain during the quarter.

(c) The financial report has been designed to reflect the transactions of a project on a cash basis. For this reason, unliquidated obligations or commitments should not be reported to UNDP, i.e., the reports should be prepared on a "cash basis", not on an accrual basis, and thus will include only disbursements made by TVM and not commitments. Unless the Financial Report is received, the UNDP Resident Representative will not act upon requests for advances of funds from UNDP;

(e) Any refund received by an NGO from a supplier should be reflected on the financial report as a reduction of disbursements on the component to which it relates.

The provisions of the present Article shall apply to any such situation.

2. UNDP shall consult with TVM if any circumstances arise that, in the judgement of UNDP, interfere or threaten to interfere with the successful completion of the Project or the accomplishment of its purposes. TVM shall promptly inform UNDP of any such circumstances that might come to its attention. The Parties shall cooperate towards the rectification or elimination of the circumstances in question and shall exert all reasonable efforts to that end, including prompt corrective steps by TVM, where such circumstances are attributable to it or within its responsibility or control. The Parties shall also cooperate in assessing the consequences of possible termination of the Project on the beneficiaries of the Project.

3. UNDP may at any time after occurrence of the circumstances in question, and after appropriate consultations, suspend the Project by written notice to TVM, without prejudice to the initiation or continuation of any of the measures envisaged in paragraph 2, above, of the present Article. UNDP may indicate to TVM the conditions under which it is prepared to authorize management of the Project to resume.

4. TVM may terminate the present Agreement in cases where a condition has arisen that impedes TVM from successfully fulfilling its responsibilities under the present Agreement, by providing UNDP with written notice of its intention to terminate the present Agreement at least 30 days prior to the effective date of termination if the Project has a duration of up to six months and at least 60 days prior to the effective date of termination if the Project has a duration of six months or more.

5. TVM may terminate the present Agreement only under point 5, above, of the present Article, after consultations have been held between TVM and UNDP, with a view to eliminating the impediment, and shall give due consideration to proposals made by UNDP in this respect.

6. Upon receipt of a notice of termination by either Party under the present Article, the Parties shall take immediate steps to terminate activities under the present Agreement, in a prompt and orderly manner, so as to

minimise losses and further expenditures. TVM shall undertake no forward commitments and shall return to UNDP, within 30 days, all unspent funds, supplies and other property provided by UNDP unless UNDP has agreed otherwise in writing.

7. In the event of any termination by either Party under the present Article, UNDP shall reimburse TVM only for the costs incurred to manage the project in conformity with the express terms of the present Agreement. Reimbursements to TVM under this provision, when added to amounts previously remitted to it by UNDP in respect of the Project, shall not exceed the total UNDP allocation for the Project.

8. In the event of transfer of the responsibilities of TVM for the management of a Project to another institution, TVM shall cooperate with UNDP and the other institution in the orderly transfer of such responsibilities.

Article XIV. Force Majeure

1. In the event of and as soon as possible after the occurrence of any cause constituting *force majeure*, as defined in Article I, paragraph 1, above, the Party affected by the *force majeure* shall give the other Party notice and full particulars in writing of such occurrence if the affected Party is thereby rendered unable, in whole or in part, to perform its obligations or meet its responsibilities under the present Agreement. The Parties shall consult on the appropriate action to be taken, which may include suspension of the present Agreement by UNDP, in accordance with Article XIII, paragraph 3, above, or termination of the Agreement, with either Party giving to the other at least seven days written notice of such termination.

2. In the event that the present Agreement is terminated owing to causes constituting *force majeure*, the provisions of Article XIII, paragraphs 8 and 9, above, shall apply.

Article XV. Arbitration

The Parties shall try to settle amicably through direct negotiations, any dispute, controversy or claim arising out of or relating to the present Agreement, including breach and termination of the Agreement. If these negotiations are unsuccessful, the matter shall be referred to arbitration in accordance with United Nations Commission on International Trade Law Arbitration Rules. The Parties shall be bound by the arbitration award rendered in accordance with such arbitration, as the final decision on any such dispute, controversy or claim.

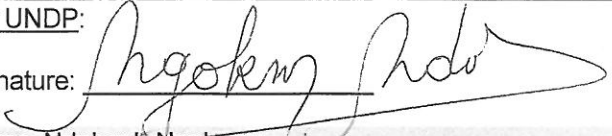

Article XVI. Privileges and Immunities
