

15 February 2007

Dear Mr. Ngokwey,

I am pleased to inform you that your request of USD 100,000.00 for supporting emergency activities in response to the floods has been approved. Funding will be made available from TRAC 1.1.3, Category II. (Atlas Fund code: 04120; Donor code: 00012).

In accordance with our resource management guidelines, you are kindly requested to submit a signed project document, including the Annual Work Plan (AWP), within the next thirty (30) days. BCPR will then establish the authorized spending limit (ASL) in Atlas accordingly. Please ensure that electronic copies of the signed project document, as well as quarterly progress reports, are uploaded into Atlas.

If a signed project document is not received within 30 days, the funds will revert back to the original Fund. Please note that the project must be completed within 12 months from the date of its approval. If the project cannot be closed within this period of time, a request for an extension should be submitted at least three months in advance of the expiration date.

Please don't hesitate to contact your BCPR regional team (bcpr.africa@undp.org), led by Mr. Charles Achodo, for any additional support you might require. We look forward to working with you and your team in supporting your office on crisis prevention and recovery issues.

Yours sincerely,
