March 27.2017 Kathmandu- Nepalgunj
Guidance to RCU to manage the logistic, training hall and setting training schedule

March 28-30, 2017 Training delivery in two groups on Local Governance Operation and Management

Observation & Findings

- senior level presence from MoFALD observed very encouraging to the participants, Mr. Chakra Bahadur Budha, Joint Secretary of MoFALD presented in the program
- All the Executive Officers of province number 6 participated in the meeting, leading toward uniform understanding.
- The participants were find high enthusiastic to participate this training and appraised the initiation of MoFALD, LGCDP
- The Resource Person were find well prepared in their training content and all training session were delivered on participant centered approaches. The sessions were noted highly interactive.
- The logistic part was also find perfect, which has created highly conducive environment for teaching and learning. Besides, training logistic part supported by LDTA was also good.

Feedback and Comments from Participants:

The participants appraised the training and express their fuller satisfaction. They also rated that the training sessions were highly useful to cope with their current challenges. Some of the contents related particularly with account were still remained in some confusion. The Executive Officer opined that this would have been better, if these technical session may have been assigned to District Treasury Officer. In overall, this travel have been highly successful to meet its intended objectives.

Thank You.
