Resilient nations.

Interoffice Memorandum

26 January 2021

To: Babacar Cisse, UN Resident/Humanitarian Coordinator a.i  
in Sudan, and Chair, DCPSF Steering Committee

Through: Yuri Afanasiev, UNDP Resident Representative

From: Sammy Odolot, Head of DCPSF Technical Secretariat

Subject: Request for Approval: DCPSF Phase II New Projects – Batch 2

Dear Babacar,

Darfur Community Peace and Stability Fund DCPSF was established in 2007 as a United Nations Multi-Partnership Trust Fund (MPTF) mechanism that supports community-level peacebuilding activities and fosters social cohesion by drawing diverse communities together. In November 2019, DCPSF conducted a conflict analysis that provided a basis for the identification of programmatic priority areas for the Call for Proposals that was launched in October 2020 for the current DCPSF Phase II extension (2018-2021). The Call for Proposal has identified eighteen (18) International NGOs/National NGOs as Implementing Partners.

Based on the virtual email endorsement by the DCPSF Steering Committee, I would like to request your approval of the second batch of seven (7) HACT/Micro risk assessed NGOs to be funded by DCPSF during Phase II extension (2018-2021).

Attached are the approved NNGOs project list and the Steering Committee virtual endorsement for your reference.

Best Regards,
