

NOTE TO FILE

16 July 2019

**Subject: Project numbers; (00052962 and 00056266) to be closed in Atlas**

According to the Transparency Dashboard for July 2019, two legacy projects (SOI Strengthening Capacity for Effective Programme Management (00044913/00052962) and SOI Earthquake and Tsunami in the Western and Choiseul (00047026/00056266) are currently appearing red, requiring necessary documents to be uploaded.

Details of for these two projects are as follows:

Project	Start Date	End Date	Operationally Closed	Financially Closed
Strengthening Capacity for Effective Programme Management (00044913/00052962)	23/08/06	31/12/08	7/02/18	8/02/18
SOI Earthquake and Tsunami in the Western and Choiseul (00047026/00056266)	16/04/07	30/06/08	22/12/08	13/09/16

Unfortunately, these are very old projects and that there are no project documents found in the archive room. Thus, this note to file explains reason for not able to upload the correct necessary documentations.

Regards.
