Thailand's Domestic Preparation for Post-2020 Contributions (INDCs)

Dear Mr. Saiyasitpanich,

Reference is made to the consultation between our offices on the need to request for another re no-cost extension of the "Thailand's Domestic Preparation for Post-2020 Contributions (INDCs)" project to be operationally closed on 31 October 2016, so as to allow time for having the final consultation workshop on the draft INDC roadmap.

I am pleased to inform you that the request for the no-cost extension is confirmed by UNDP – Global Environmental Finance / Bureau for Policy and Programme Support, noting that it will be essential that all ongoing activities be carried out and completed by the said period.

I would like to take this opportunity to thank ONEP for the close collaboration in the implementation of this project. I look forward to further strengthening our partnership in the extended phase and beyond.

Yours sincerely,

Project Extension Confirmation**

Reference is made to your letter dated 26 December 2015, regarding the no-cost extension of the "Thailand's Domestic Preparation for Post-2020 Contributions (INDCs)" project.

I am pleased to confirm the extension of the "Thailand's Domestic Preparation for Post-2020 Contributions (INDCs)" project. However, the meeting between ONEP and UNDP on 13 January 2016 agreed that the project will extend for 6 months (31 December 2015 - 30 June 2016). The activities to be carried out during the extension period will include:

- (1) Organize a consultation workshop on the INDCs follow-ups to all relevant stakeholders (USD 2,000)
- (2) Develop an initial draft of the INDC's road map (USD 7,000)
- (3) Hire a technical coordinator to facilitate the process (USD 9,000)

I greatly appreciate your continued support and a strong partnership and look forward to our successful collaboration in the next phase.

Yours sincerely,
