Dear Lovita,

This is noted.

For that reason, we should extend the project and make some some changes later.

I suggest we extend the project for now since we need to factor a number of activities and also salaries to be paid for which we need a project to reflect these budget lines.

As we discuss the changes, we can effect the changes in due time

Dear Warunpon,

Let me review this.

I understand that there will be some changes in the project next year and process to do for project extension.
