

Dili, 29 August 2019

Dear Mr. KIM,

Subject: Re-submission of the Annex in support of the No-Cost Extension of the KOICA-funded project "Enhancing public sector accountability through institutional strengthening in anti-corruption and decentralization (the Project)"

I am, hereby, submitting the revised Annex, which details the programming and budget revisions of the Project, in order to accommodate the aforementioned Project's No-Cost Extension (NCE). In the letter dated 29 March 2019, UNDP submitted the NCE request for six months (1 January 2020 – 30 June 2020), which KOICA approved via email dated 9 July 2019.

Upon the approval, KOICA has verbally informed us that we could revisit the Annex, if needed, and resubmit it in due time. Component A (Anti-corruption) and Component C (Strengthening Democratic Participation and Citizenship at the Municipal Level) of the Project have thus made the final adjustments to better reflect the updated status of the implementation.

Your trust in UNDP is highly appreciated, and I look forward to continuing our partnership in the future.

Sincerely yours

Munkhtuya Altangerel
UNDP Resident Representative
