**Revision Type:** No-Cost Extension in Project Duration

### Brief Description:

The overall objective of the project is to strengthened national capacities for the Government of Turkey as an emerging donor that will cover the institutional and technical components. On the other hand, the (I) capacity development for Turkey's emerging donor role in the international development cooperation arena will be completed by (II) the development of technical capacities for south-south cooperation modalities. The project was initially planned to be completed in three years time by the middle of 2011. At the steering committee meeting held in July 2013, it was agreed to extend the project duration until the **end of 2014** for enabling the project targets to be achieved. The Annual Work Plan of 2014 will be prepared for approval by the end of 2013.
