Mr. Yannick Glemarec
GEF Executive Coordinator
United Nations Development Programme
One United Nations Plaza
New York, NY 10017

Dear Mr. Glemarec:

I am pleased to inform you that I am endorsing the project proposal entitled ***Turkey: Market Transformation of Energy Efficient Appliances in Turkey***, for \$2,710,000 in financing from the GEF Trust Fund (GEFTF). I understand that this project proposal will be submitted for approval in accordance with the UNDP procedures. I note that a project preparation grant (PPG) of \$17,000 was previously approved for preparation of this project and that a report on the use of those funds has been submitted to the Secretariat. Taking into account the PPG, the entire GEF grant for the project is \$2,727,000.

I am also endorsing the fee of \$272,700 for project cycle management services.

I am endorsing this project on the understanding that the project will meet the following milestones:

- (i) The GEF Agency approval will be signed no later than January 2010;
- (ii) A report on the status of the project at mid-term will be submitted to the Secretariat no later than December 2011; and
- (iii) The closing date of the project grant will be no later than December 2013 and a terminal evaluation/project completion report will be submitted to the Secretariat within 6 months of such closing date.

You are requested to ensure that the GEF Secretariat is informed when each of these milestones has been met. If any milestone is not or will not be achieved, you are requested to inform me as early as possible. After consultations with your Agency, I may agree to revised milestones or recommend to your Agency the cancellation or suspension of the project, and I will communicate to the beneficiary country and your Agency the basis for such a recommendation.

Please ensure that your grant agreements continue to fully reflect this understanding.

I am attaching a copy of the project tracking sheet and review sheet for your records.

Sincerely,
