

BENEFITS & ENTITLEMENTS SERVICES HR SERVICES - CLIENT SATISFACTION SURVEY 2018

From June to August 2018, GSSU conducted a client satisfaction survey among International Professional and local staff members on the HR services provided by Benefits & Entitlements Services Unit (BES).

1546 international and local staff members from **10 UN agencies** evaluated the quality of support and advice provided by GSSU BES. The overall satisfaction rate is **94.56 %** - an increase of **2.61%** compared to 2017.

THE SURVEY RESULTS REFLECT AN INCREASE IN SATISFACTION WITH OUR HR SERVICES, TOOLS AND QUALITY OF ADVICE

Being committed to establishing closer communication with staff members, the survey included an option for staff to request follow-up on specific issues, raise concerns or share ideas. This feedback is being reviewed and addressed.

GSSU/BES would like to thank all contributors for their responses, feedback and suggestions.
