Management Arrangement

The project will be nationally-executed through the MCYCD. A designated Project Manager will be in charge of the management of this project and will be the coordination focal point with UNDP.

The amount estimated in the budget (**US \$19,185.00 or AED 70,464.66**) will be deposited with UNDP. Thereafter, payments for items identified in the project matrix (budget) will be made by UNDP. A financial report will be submitted to the joint Commission at the end of the project for the purpose of review and endorsement. In the event that both parties decide to close this project and certain funds remained unutilized, UNDP will return the unutilized balance, after clearing all contractual commitments, to the MCYCD or transfer to a full-fledged project depending on the preference of the MCYCD.

The budget is subject to review as needs arise and there is enough flexibility to transfer among project budget sub lines.

Two handwritten signatures. The signature on the left appears to be "E. J. Alip" and the signature on the right appears to be "J. A." Both signatures are in black ink.
