On behalf of the Government of The Bahamas and, in my capacity as GEF Operational Focal Point, I hereby endorse the request of funding for US \$15,000 for the above mentioned activity, to be presented through the United Nations Development Programme (UNDP) to the Global Environment Facility.

By requesting this assistance, the Government of The Bahamas expresses its interest in receiving UNDP support for the preparation of its Second National Communication to the United Nations Convention on Climate Change.

We look forward to your kind consideration in this matter.

Sincerely,
