Brief Description

This project aims to enable Bosnia and Herzegovina to prepare, produce and disseminate its Second National Communication (SNC) to the Conference of the Parties (CoP) of the UN Framework Convention on Climate Change (UNFCCC) according to Decision 17/CP.8 and other guidance provided. The SNC will update and strengthen information provided regarding national circumstances, greenhouse gas inventories, climate change mitigation, vulnerability to climate change and steps taken to adapt to climate change, and information on public awareness, education, training, systematic research and observation, and technology transfer. The project will also increase the capacity to produce subsequent NCs that meet CoP guidelines and inform policies in Bosnia and Herzegovina.
