Dear Mrs. Wade-Moore

Re: Designated Signatories for Pilot 3 MNRA: Building resilience among cattle producers of the Belize District- Project # 00083646

The Ministry Natural Resources & Agriculture is pleased submit to UNDP the authorized officials who are designated signatories for the MNRA/CC project

1. Mr. Ricardo Thompson will be the Project Coordinator designated to sign on all matters regarding the operations of the Pilot 3 MNRA: CC & Food Security project.
2. Dr. Carlos Itza will be the Project Manager designated to sign on all matters regarding the administration of the Pilot 3 MNRA: CC & Food Security project.

Below are the authenticated specimen signature of the designated signatories listed above and who are authorized to represent in all acts of the Project.

Your kind attention is appreciated; any changes will be communicated directly to your office as it relates to the management of the Pilot 3 MNRA: CC & Food Security Project.

RICARDO THOMPSON
M & E OFFICER
Ministry of Natural Resources and Agriculture

DR. CARLOS ITZA
