CONCERNS: *Co-financing of the project
"Integrated and Transboundary Conservation of Biodiversity
in the Basins of the Republic of Congo (Congo Republic)."*

Dear Sir, Mrs.,

We are delighted to write to you express our interest and commitment to participate in the funding mobilization of the UNPD-GEF project "Integrated and Transboundary Conservation of Biodiversity in the Basins of the Republic of Congo (Congo Republic)." to the Global Environment Facility Funds (GEF) in its sixth replenishment.

In this regards and given the value added of the project to the sustainable management of the biodiversity and preservation of the environment in our intervention site, corresponding with the Congo segment of TRIDOM, I take the opportunity to confirm our support to the project.

Our organization named Ministère de l'Economie Forestière, du Développement Durable et de l'Environnement (MEFFDE) and that works in the area of SEGMENT TRIDOM CONGO. The project fits with our organization's vision, mission and objective and would help both our organization to achieve their mutual goals. Our organization confirms a commitment of a co-financing contribution equal to of total estimated amount of US\$ **6 522 400** (value n letter) for years. This contribution of project's co-funding will be in kind within the project period.

Yours Sincerely,

Rosalie Matondo
