**UNDAF Outcome(s):** N/A

**Expected CP Outcome(s):** N/A

**Expected Output(s):**

1. Build trust-bring the two communities to work together
2. Reduce number of missing
3. Awareness/building local capacities

**Implementation Modality:** DIM

**Implementing Agency:** UNDP, members of the Committee on Missing Persons

**Brief Description**

Overall objective of the project is to close, without further delay, a painful chapter in the history of the island and contribute to the process of rapprochement and reconciliation between the Greek Cypriot and Turkish Cypriot communities. This important objective will be further encouraged and promoted through the participation of bi-communal scientific teams in all stages of the process.

Specific objectives of the project are a) investigations and collection of information to identify new burial sites b) exhumation of remains of missing persons c) analysis and identification of remains d) proper burial of the remains of identified missing persons e) local capacity-building and quality control and f) awareness and confidence building measures.

It is expected that the additional funding and phases of the project will be included in this umbrella project.
