Dear Mr. Trebucq,

Resilience in the Kalinago Territory” in Dominica**

As fund manager and Secretariat of the Board of Directors of the India-UN Development Partnership Fund, Commonwealth Window, the United Nations Office for South-South Cooperation is pleased to inform you that project “Strengthening Sustainable Livelihoods and Resilience in the Kalinago Territory” in Dominica was approved to receive funding support in the amount of USD: 1,000,000 (United States Dollars: One million)

The Government of India stressed that the total direct or indirect costs of the project are not more than 10% of the total project cost and are within the approved amount of USD: 1,000,000.

I take this opportunity to reiterate that the India-UN Development Partnership Fund, Commonwealth Window, requires monthly updates on progress through 2-to-3 brief bullet points submitted via email, as well as quarterly financial and narrative reports for the projects, which will be shared with the Board of Directors and the Permanent Mission of Dominica to the United Nations in New York. I congratulate your team and government partners on this approval, and I take this opportunity to highlight that the Government of India should be accorded due credit and broad visibility for its partnership in this project.

Please note that Ms. Ines Tofalo (ines.tofalo@unosscc.org) is the focal point at UNOSSCC for the India-UN Development Partnership Fund and can be contacted with further queries or for any support.

We thank you for your partnership and look forward to working in collaboration with all stakeholders towards the effective and expeditious implementation of this valued project.
