Your Excellency,

Operational and Financial Closure of UNDP Project

I have the honor to attach herewith, for your signature, three copies of the Semi-Final and of the Final Revisions for the project entitled "Supporting NTRA".

The above-mentioned project is now financially complete: the project is operationally complete, the Implementing Partner has reported all financial transactions to UNDP and UNDP has closed the accounts.

As indicated by the signature of Eng. Mostafa Abdel Wahed, we have received approval from the Implementing Agency, National Telecommunications Regulatory Authority.

In this respect, we would appreciate it if you would kindly sign all copies and return them to our office at your earliest convenience.

Accept, Your Excellency, the assurances of my highest consideration.
