eChecklist Instructions:

In order to be able to close the project operationally all items in the below list need to be checked as (YES). If any of the items is not applicable for the project then it can be checked as (YES). A project is operationally completed when the last UNDP-financed inputs have been provided and related activities have been completed.

Operational Completion:

A project is operationally complete when the last UNDP-financed inputs have been provided and the related activities have been completed. Through the project board, the implementing partner promptly notifies the UNDP country office when this has been done. Should the implementing partner not do so, the UNDP programme manager must determine when the project is operationally complete.

When a project is operationally complete, the parties must agree on the disposal of any equipment that is still the property of UNDP.

	and conclusions related to follow-up actions.		· Lessons learned; · Use of remaining budget, if any; · Effective date of project closure; · Transitioning of responsibilities to national counterparts; · Hand-over of assets.
3	Commission project evaluation	☑ ☐	If required by partnership arrangements or if so decided by UNDP, commission project evaluation, prepare a management response to evaluation and discuss and share findings and recommendations for learning. Review the following links: Evaluation Resource Centre TOR for Evaluation Evaluation Report Format
4	Initiate project Audit (if applicable)	☑ ☐	NEX projects have to be audited at least once in the life of the project, and each year that it is considered appropriate by the CO (depending on level of delivery, difficulties found during the year, etc.). For more information on project audit, please refer to Office of Audit and Investigations website.
5	Notify the Project Board / Programme Manager on the operational completion of the project.	☑ ☐	The project is operationally complete when the last UNDP-financed inputs have been provided and related activities completed. The Project Manager should notify the Project Board, who in turn should notify the Programme manager about the operational completion of the project. Otherwise, programme manager decides when the project is operationally completed.
6	Operationally close the Output.	☑ ☐	Based on the Project Board decision to close the project, project status in Atlas will be set to "Operationally Closed". No further financial commitment can be made.
