9 August 2013

Dear Mr. Ohemeng-Boamah,

Subject: PPG Guinea: Developing a market for Biogas Resource Development and Utilization in Guinea
- PIMS No. 4780 - ATLAS BU: GIN 10 - Proposal No.: 00075270 - Project No.:00087268

I am pleased to delegate to you as the UNDP Resident Representative the authority to sign the Initiation Plan for the above-mentioned Project Preparation Grant (PPG) / Programme Cooperation Budget (PCB) on behalf of UNDP, and to commence development of the main project. The Initiation Plan, which amounts to a total of US\$ **60,000**, has received its final approval in accordance with the established GEF procedures (CEO approval letter attached for ease of reference).

I am also pleased to provide a summary of the next steps in the process and to outline, for your easy reference, the mandatory GEF-specific project financial and results management requirements. In addition, a number of Advisory Notes have been prepared to support the implementation of Initiation Plans and UNDP supported GEF funded projects. These can be found in the UNDP-GEF Programming Manual at <http://intra.undp.org/gef>.

Next steps and mandatory GEF-specific requirements:

1. ***Issuance of Authorized Spending Limit (ASL):*** To facilitate a quick start to the PPG/PCB, once the Initiation Plan is signed, please kindly ensure that the Atlas-generated *Annual Work Plan (AWP)* based on the *Total Budget and Annual Work Plan* in the attached document, along with a copy of the signed cover page, is sent to **Mr. Saliou Toure**, Regional Technical Advisor (RTA) in Dakar.

Any proposed budget revisions should be forwarded to the UNDP RTA together with a clear explanation of the changes proposed as any significant changes require review and approval. In addition, please note that UNDPGEF is not in a position to increase the project budget above the amount already approved by the GEF Council. Therefore, any over-expenditure on this project would have to be absorbed by other Country Office resources.

2. ***GEF-specific project management requirements:***

- Any changes with respect to the objectives of the initiation plan will have to be discussed with and approved by the RTA, as they will have to be reported to the GEF.

Mr. Ohemeng-Boamah Anthony
UNDP Resident Representative
UNDP, Guinea

United Nations Development Programme

- The final project document and annexes must be ready by 31st August 2014 as outlined in the Initiation Plan. The RTA will advise you of the expected timeline for submission of the final project document for the purpose of internal UNDP clearance prior to submission to the GEF Secretariat.
- All efforts should be made to completely commit the GEF PPG resources by the time the project document is submitted to the GEF for CEO endorsement. A report on the use of the PPG resources is included in Annex C of the GEF CEO Endorsement template.
- If the PPG activities and resources have not been fully completed/committed by CEO endorsement, the same reporting table must be submitted with the first project implementation report (APR/PIR) due one year after project document signature.
- This preparatory phase must be operationally completed in Atlas once the main project is endorsed by the GEF CEO. Financial closure should follow within 12 months, but preferably within the same calendar year.
- In order to accord proper acknowledgement to the GEF for providing funding, full compliance is needed with the GEF's Communication and Visibility Guidelines (the "GEF Guidelines"). The GEF Guidelines can be accessed at: http://www.thegef.org/gef/sites/thegef.org/files/documents/C.40.08_Branding_the_GEF%20final_0.pdf. Full compliance is also required with UNDP's branding guidelines. These can be accessed at <http://intra.undp.org/coa/branding.shtml>, and specific guidelines on UNDP logo use can be accessed at: <http://intra.undp.org/branding/useOfLogo.html>.

In concluding, I would like to assure you of UNDP-GEF's and my personal commitment to a successful implementation of the Initiation Plan. The RTA is at your disposal for advice and technical support. Should you have any concerns or questions, please do not hesitate to contact me.

Yours sincerely,

Adriana Dinu
