Dear Mr. Antoine,

**Subject: UNDP Barbados and the OECS Support to National Implementation**

Noting the discussions with the Government of Grenada and UNDP Barbados and the OECS on the implementation of “Programme on Integrated Climate Change Adaptation Strategies in Grenada”, it is agreed that UNDP will support project implementation. This will be facilitated by the recently selected Administrative Assistant who will be cited at UNDP in Barbados.

In this respect and noting the options of direct payments to vendors by UNDP we are hereby requesting the Government of Grenada to confirm the arrangement as a record for the project. We propose the enclosed template as an indication of this modality for such communication.

We thank you for your cooperation and continued support.

Yours sincerely,
