Khadija Musa
Resident Representative
UNDP Guyana
42 Brickdam and United Nations Place
Georgetown

Dear Resident Representative,

Letter of Endorsement of the Japan-Caribbean Climate Change Partnership Project

I write to inform that the Government of the Cooperative Republic of Guyana has endorsed the version on the Japan-Caribbean Climate Change Partnership Project Document presented under cover letter from the Resident Representative dated May 7, 2015.

This endorsement signals the expectation that the process to prepare a country-specific project document will commence shortly.

Yours sincerely
