Dear All,

Apologies that it has taken longer than anticipated to have the final sign-off of the SRSB. She has been on mission for several weeks and returned to NY yesterday.

In order to facilitate the signature process I am attaching here a PDF of the first page duly signed by the SRSB.

The SRSB has requested that I reflect three additional edits in the document, as follows:

Page 5: SRSB would like the strategic leadership of her role to be reflected in the Executive Summary

Page 10: SRSB would like it reflected that her strategic advice may also serve as a basis for decisions regarding country engagements of the TOE

Page 22: That the role/responsibilities of co-lead entities includes support to resource mobilization for the TOE through the advocacy of senior officials

For ease of reference I have included the specific textual edits in Track Changes in the attached document.

Please let me know if there are any concerns regarding the edits requested by the SRSB.

Thanks again Toby for your great work and heavy lift on the document, and to everyone for your dedication to this.

Bon weekend,
Tonderai

Subject: 2020-2024 Joint Programme (Team of Experts)
Importance: High

Dear Ben, Katy, Rob and Tonderai,

First, I would like to thank each of you for all of the time and support you have provided to the Team of Expert over the past few months, particularly your support to the development of the 2020-2024 Joint Programme.

I am attaching a final version of the 2020-2024 Joint Programme of the UN Team of Experts on the Rule of Law and Sexual Violence in Conflict in both PDF and Word formats for clearance and signature. Please note that this final version attempts to reflect all of the feedback I have received from the co-lead entities, Member States, and members of the Team of Experts.

I would like to kindly request your guidance and support in obtaining the signatures of your respective ASGs/USG. If possible, I would like to have the Joint Programme fully signed by 6 December 2019, at the latest, to ensure enough time to transfer funds from the MPTF Office to each entity. After obtaining all signatures, I will circulate a fully signed copy of the Joint Programme for your records.

Based on the availability of your respective ASGs/USG, is there a preferred signing order? My proposal would be to start with the Office of the SRSG-SVC, but the document can be signed in any order.

Please let me know how we should proceed.

Thank you for all of your time and support throughout this process. Happy Thanksgiving!

Regards,
Toby
