1. The Parties agree to carry out their respective responsibilities in accordance with the provisions of the present Agreement and to undertake the Project in accordance with UNDP policies and procedures as set out in the UNDP Programme and Operations Policies and Procedures (POPP), which forms an integral part of the present Agreement.

6. The activities under the present Agreement are in support of the efforts of the Government, and therefore the ACORD will communicate with the Government as necessary. The Project Manager will be responsible for day-to-day contacts with the relevant national authorities and UNDP on operational matters during the implementation of the Project.

7. The UNDP will facilitate access to information, advisory services, technical and professional support available to UNDP and will assist the ACORD to access the advisory services of other United Nations organizations, whenever necessary, including tapping into rich experience and global reach of its network.

7.1. UNDP will continue to support ACORD institutionalization process through financial and technical support. Annual Work Plan

7.2. ACORD will work and co-operate closely with Civil Society Organizations (CSO) and the Government in order to enhance peace building and conflict prevention work in Kenya. This deepening of relations between ACORD and CSO and the Government may include, but not limited to, training on issues of peace building and community mediation, planning and coordination, addressing issues of common interest, joint efforts, mapping, sharing of knowledge, best practices, and developing community of practice. It is envisaged that this cooperation will not only increase effectiveness of programme delivery but also avoid double funding of parties, unnecessary real or perceived competition as well as strengthen civil society.

7.3 UNDP will largely rely on the ACORD financial systems, policies and mechanisms unless in situations where these may be found to be inadequate

8. The Parties shall cooperate in any public relations or publicity exercises, when the UNDP Resident Representative deems these appropriate or useful.

Anti-terrorism:

9. The ACORD agrees to undertake all reasonable efforts to ensure that none of the UNDP funds received under this Agreement are used to provide support to individuals or entities associated with terrorism and that the

recipients of any amounts provided by UNDP hereunder do not appear on the list maintained by the Security Council Committee established pursuant to resolution 1267 (1999). The list can be accessed via <http://www.un.org/Docs/sc/committees/1267/1267ListEng.htm>. This provision must be included in all sub-contracts or sub-agreements entered into under this Agreement.

Security:

1. The responsibility for the safety and security of the ACORD and its personnel and property, and of UNDP's property in the ACORD's custody, rests with the ACORD.
2. ACORD shall:
 - (a) put in place an appropriate security plan and maintain the security plan, taking into account the security situation in the country where the services are being provided;
 - (b) assume all risks and liabilities related to the ACORD's security, and the full implementation of the security plan.
3. UNDP reserves the right to verify whether such a plan is in place, and to suggest modifications to the plan when necessary. Failure to maintain and implement an appropriate security plan as required hereunder shall be deemed a breach of this contract. Notwithstanding the foregoing, the ACORD shall remain solely responsible for the security of its personnel and for UNDP's property in its custody as set forth in paragraph 3.1 above.

Article V. Personnel Requirements

1. ACORD shall be fully responsible for all services performed by its personnel, agents, employees, or contractors (hereinafter referred to as "Personnel").
2. ACORD personnel shall not be considered in any respect as being the employees or agents of UNDP. ACORD shall ensure that all relevant national labour laws are observed.
3. UNDP does not accept any liability for claims arising out of the activities performed under the present Agreement, or any claims for death, bodily injury, disability, damage to property or other hazards that may be suffered by ACORD personnel as a result of their work pertaining to the project. It is understood that adequate medical and life insurance for ACORD personnel, as well as insurance coverage for service-incurred illness, injury, disability or death, is the responsibility of the ACORD.

Article VI. Terms and Obligations of Personnel

ACORD undertakes to be bound by the terms and obligations specified below, and shall accordingly ensure that the personnel performing project-related activities under the present Agreement comply with these obligations:

- (a) The personnel shall be under the direct charge of ACORD,
- (b) They shall refrain from any conduct that would adversely reflect on the United Nations and shall not engage in any activity which is incompatible with the aims and objectives of the United Nations or the mandate of UNDP;
- (c) Subject to the requirements outlined in the document "UNDP public information disclosure policy", information that is considered confidential shall not be used without the authorisation of UNDP. In any event, such information shall not be used for individual profit. The Project Manager may communicate with the media regarding the methods and scientific procedures used by ACORD; however, UNDP clearance is required for the use of the name UNDP in conjunction with Project Activities in accordance with Article IV, paragraph 5, above. This obligation shall not lapse upon termination of the present Agreement unless otherwise agreed between the Parties.

Article VII. Supplies, Vehicles and Procurement

1. Equipment, non-expendable materials, or other property furnished or financed by UNDP, shall remain the property of UNDP and shall be returned to UNDP upon completion of the Project or upon termination of the present Agreement, unless otherwise agreed upon between the Parties. During Project implementation and prior to such return, ACORD shall be responsible for the proper custody, maintenance and care of all equipment. ACORD shall, for the protection of such equipment and materials during implementation of the Project, obtain appropriate insurance in such amounts as may be agreed upon between the Parties and incorporated in the Project Budget.

2. In cases of damage, theft or other losses of vehicles and other property made available to the ACORD, ACORD shall notify UNDP accordingly and where necessary provide UNDP with a comprehensive report, including police report, where appropriate, and any other evidence giving full details of the events leading to the loss of the property.

3. In its procedures for procurement of goods, services or other requirements with funds made available by UNDP as provided for in the Project Budget, ACORD shall ensure that, when placing orders or awarding contracts, it will safeguard the principles of highest quality, economy and efficiency, and that the placing of such orders will be based on an assessment of competitive quotations, bids, or proposals unless otherwise agreed to by UNDP.

4. ACORD shall maintain complete and accurate records of equipment, supplies and other property purchased with UNDP funds and shall take periodic physical inventories. ACORD shall provide UNDP annually with the inventory of such equipment, property and non-expendable materials and supplies, and at such time and in such form as UNDP may request.

Article VIII. Financial and Operational Arrangements

1. In accordance with the Project Budget, UNDP has allocated and will make available to ACORD funds on quarterly basis, as detailed in the annual work plan and subject to availability of funding.

2. ACORD agrees to utilise the funds and any supplies and equipment provided by UNDP in strict accordance with the Annual Work Plan. ACORD shall be authorised to make variations not exceeding 20 per cent on any one line item of the Project Budget provided that the total Budget allocated by UNDP is not exceeded. ACORD shall notify UNDP about any expected variations on the occasion of the quarterly consultations set forth in Article IV, paragraph 3, above. Any variations exceeding 20 per cent on any one- line item that may be necessary for the proper and successful implementation of the Project shall be subject to prior consultations with and approval by UNDP.

3. ACORD further agrees to return any unused supplies made available by UNDP at the termination or end of the present Agreement or the completion of the Project including the carrying out of an audit. Any unspent funds shall be returned within two months of the termination of the present Agreement or the completion of the Project.

4. UNDP shall not be liable for the payment of any expenses, fees, tolls or any other financial cost not outlined in the Project Work Plan or Project Budget unless UNDP has explicitly agreed in writing to do so prior to the expenditure by ACORD.

Article IX. Maintenance of Records

1. ACORD shall keep accurate and up-to-date records and documents in respect of all expenditures incurred with the funds made available by UNDP to ensure that all expenditures are in conformity with the provisions of the Project Work Plan and Project Budgets. For each disbursement, proper supporting documentation shall be maintained, including original invoices, bills, and receipts pertinent to the transaction. Any Income, as defined in Article I, paragraph 1 (k), above, arising from the management of the Project shall be promptly disclosed to UNDP. The Income shall be reflected in a revised Project Budget and Work Plan and recorded as accrued income to UNDP unless otherwise agreed between the Parties.

2. Upon completion of the Project/or Termination of the Agreement, the ACORD shall maintain the records for a period of at least four years unless otherwise agreed upon between the Parties.

Article X. Reporting Requirements

1. ACORD shall provide UNDP with periodic reports on the progress, activities, achievements and results of the Project, as agreed between the Parties. As a minimum, ACORD shall prepare an annual progress report.

2. Financial reporting will be quarterly:

(a) ACORD prepares a financial report and submits it to the UNDP Resident Representative no later than 45 days after the end of each quarter.

(b) The purpose of the financial report is to list the disbursements incurred on the Project by budgetary component on a quarterly basis, and to reconcile outstanding advances and foreign exchange loss or gain during the quarter.

(c) The financial report has been designed to reflect the transactions of a project on a cash basis. For this reason, unliquidated obligations or commitments should not be reported to UNDP, i.e., the reports should be prepared on a "cash basis", not on an accrual basis, and thus will include only disbursements made by the ACORD and not commitments. However, ACORD shall provide an indication when submitting reports as to the level of unliquidated obligations or commitments, for budgetary purposes;

(d) The financial report contains information that forms the basis of a periodic financial review and its timely submission is a prerequisite to the continuing funding of the Project. Unless the Financial Report is received, the UNDP Resident Representative will not act upon requests for advances of funds from UNDP;

3. Within three months of the completion of the Project or of the termination of the present Agreement, ACORD shall submit a final report on the Project activities and include a final financial report on the use of UNDP funds, as well as an inventory of supplies and equipment.

Article XI. Audit Requirements

1. ACORD shall submit to the UNDP a certified annual financial statement on the status of funds advanced by UNDP. The Project will be audited at least once during its lifetime but may be audited annually. The audit shall be carried out by the auditors of the ACORD or by a qualified audit firm, which will produce an audit report and certify the financial statement.

2. Notwithstanding the above, UNDP shall have the right, at its own expense, to audit or review such Project-related books and records as it may require and to have access to the books and record of ACORD, as necessary.

3. Each invoice paid by UNDP shall be subject to a post-payment audit by auditors, whether internal or external, of UNDP or the authorized agents of the UNDP at any time during the term of the Agreement and for a period of three (3) years following the expiration or prior termination of the Agreement. The UNDP shall be entitled to a refund from ACORD for any amounts shown by such audits to have been paid by the UNDP other than in accordance with the terms and conditions of the Agreement. Should the audit determine that any funds paid by UNDP have not been used as per contract clauses, ACORD shall reimburse such funds forthwith. Where ACORD fails to reimburse such funds, UNDP reserves the right to seek recovery and/or to take any other action as it deems necessary.

4. ACORD acknowledges and agrees that, at anytime, UNDP may conduct investigations relating to any aspect of the Agreement, the obligations performed under the Agreement. The right of UNDP to conduct an investigation and the ACORD's obligation to comply with such an investigation shall not lapse upon expiration or prior termination of the Agreement. ACORD shall provide its full and timely cooperation with any such inspections, post-payment audits or investigations. Such cooperation shall include, but shall not be limited to, the ACORD's obligation to make available its personnel and any documentation for such purposes and to grant to UNDP access to the ACORD's premises. ACORD shall require its agents, including, but not limited to, the ACORD's attorneys, accountants or other advisers, to reasonably cooperate with any inspections, post-payment audits or investigations carried out by UNDP hereunder.

Article XII. Responsibility for Claims

1. ACORD shall indemnify, hold and save harmless, and defend at its own expense, UNDP, its officials and persons performing services for UNDP, from and against all suits, claims, demands and liability of any nature and kind, including their cost and expenses, arising out of the acts or omissions of ACORD or its employees or persons hired for the management of the present Agreement and the Project.
2. ACORD shall be responsible for, and deal with all claims brought against it by its Personnel, employees, agents or subcontractors.

Article XIII. Suspension and Early Termination

1. The Parties hereto recognise that the successful completion and accomplishment of the purposes of a technical cooperation activity are of paramount importance, and that UNDP may find it necessary to terminate the Project, or to modify the arrangements for the management of a Project, should circumstances arise that jeopardise successful completion or the accomplishment of the purposes of the Project. The provisions of the present Article shall apply to any such situation.
2. UNDP shall consult with ACORD if any circumstances arise that, in the judgement of UNDP, interfere or threaten to interfere with the successful completion of the Project or the accomplishment of its purposes. ACORD shall promptly inform UNDP of any such circumstances that might come to its attention. The Parties shall cooperate towards the rectification or elimination of the circumstances in question and shall exert all reasonable efforts to that end, including prompt corrective steps by the ACORD, where such circumstances are attributable to it or within its responsibility or control. The Parties shall also cooperate in assessing the consequences of possible termination of the Project on the beneficiaries of the Project.
3. UNDP may at any time after occurrence of the circumstances in question, and after appropriate consultations, suspend the Project by written notice to ACORD, without prejudice to the initiation or continuation of any of the measures envisaged in paragraph 2, above, of the present Article. UNDP may indicate to ACORD the conditions under which it is prepared to authorise management of the Project to resume.
4. If the cause of suspension is not rectified or eliminated within 30 days after UNDP has given notice of suspension to ACORD, UNDP may, by written notice at any time thereafter during the continuation of such cause: (a) terminate the Project; or (b) terminate the management of the Project by ACORD, and entrust its management to another institution. The effective date of termination under the provisions of the present paragraph shall be specified by written notice from UNDP.
5. Subject to paragraph 4 (b), above, of the present Article, ACORD may terminate the present Agreement in cases where a condition has arisen that impedes ACORD from successfully fulfilling its responsibilities under the present Agreement, by providing UNDP with written notice of its intention to terminate the present Agreement at least 30 days prior to the effective date of termination if the Project has a duration of up to six months and at least 60 days prior to the effective date of termination if the Project has a duration of six months or more.
6. ACORD may terminate the present Agreement only under point 5, above, of the present Article, after consultations have been held between ACORD and UNDP, with a view to eliminating the impediment, and shall give due consideration to proposals made by UNDP in this respect.
7. Upon receipt of a notice of termination by either Party under the present Article, the Parties shall take immediate steps to terminate activities under the present Agreement, in a prompt and orderly manner, so as to minimise losses and further expenditures. ACORD shall undertake no forward commitments and shall return to UNDP, within 30 days, all unspent funds, supplies and other property provided by UNDP unless UNDP has agreed otherwise in writing.
8. In the event of any termination by either Party under the present Article, UNDP shall reimburse ACORD only for the costs incurred to manage the project in conformity with the express terms of the present Agreement. Reimbursements to ACORD under this provision, when added to amounts previously remitted to it by UNDP in respect of the Project, shall not exceed the total UNDP allocation for the Project.

9. In the event of transfer of the responsibilities of ACORD for the management of a Project to another institution, the ACORD shall cooperate with UNDP and the other institution in the orderly transfer of such responsibilities.

Article XIV. Force Majeure

1. In the event of and as soon as possible after the occurrence of any cause constituting *force majeure*, as defined in Article I, paragraph 1, above, the Party affected by the *force majeure* shall give the other Party notice and full particulars in writing of such occurrence if the affected Party is thereby rendered unable, in whole or in part, to perform its obligations or meet its responsibilities under the present Agreement. The Parties shall consult on the appropriate action to be taken, which may include suspension of the present Agreement by UNDP, in accordance with Article XIII, paragraph 3, above, or termination of the Agreement, with either Party giving to the other at least seven days written notice of such termination.

2. In the event that the present Agreement is terminated owing to causes constituting *force majeure*, the provisions of Article XIII, paragraphs 8 and 9, above, shall apply.

Article XV. Arbitration

The Parties shall try to settle amicably through direct negotiations, any dispute, controversy or claim arising out of or relating to the present Agreement, including breach and termination of the Agreement. If these negotiations are unsuccessful, the matter shall be referred to arbitration in accordance with United Nations Commission on International Trade Law Arbitration Rules. The Parties shall be bound by the arbitration award rendered in accordance with such arbitration, as the final decision on any such dispute, controversy or claim.

Article XVI. Privileges and Immunities

Nothing in or relating to the present Agreement shall be deemed a waiver, express or implied, of any of the privileges and immunities of the United Nations and UNDP.

Article XVII. Amendments

The present Agreement or its Annexe may be modified or amended only by written agreement between the Parties.
