RE: Kyrgyzstan - GIPS/Democratic Governance Funding Window Allocation

Dear Mr. Ojielo,

I am pleased to inform you that the Funding Window Secretariat approved the allocation of a total amount of USD 300,000 (US dollars three hundred thousand) in support of the project “Gender mainstreaming in digital transformation for good governance”. Funding will be made available from the UNDP Funding Window for Governance for Inclusive and Peaceful Societies (GIPS), Democratic Governance Sub-window.

You are kindly requested to submit a signed final project document, including an Atlas-generated Annual Work Plan (AWP) within the next 30 days. Upon receipt of these documents, an authorized spending limit (ASL) will be established in Atlas. Please use the following codes from GIPS-DGPD Funding Window: ATLAS fund code: 28110, Donor code: 12711. In accordance with the directives of UNDP's Executive Board, please apply a General Management Support (GMS) rate of 7%.

Please note that this allocation is valid for 12 months from the issuance of this letter. If a signed project document and an AWP are not received within 30 days, this approval may no longer be valid.

Please do not hesitate to contact fundingwindows@undp.org for any additional support you might require in establishing the project or visit the [Funding Windows intranet](https://intranet.undp.org/unit/bpps/fundingwindows) for general information (<https://intranet.undp.org/unit/bpps/fundingwindows>).

The Funding Windows are supported by Denmark, Germany, Luxemburg, Norway, Portugal, Republic of Korea, Slovak Republic, Sweden, Switzerland, and the United Kingdom.

Yours sincerely,

A handwritten signature in blue ink that reads "Abdoulaye Mar Diéye".

Abdoulaye Mar Diéye
UN Assistant Secretary-General
Assistant Administrator and Director
Bureau for Policy and Programme Support

Mr. Ozonnia Ojielo
UN Resident Coordinator and UNDP Resident Representative
