Subject: In lieu of the progress report of ELDC Project – 00072395

Period Covered: January/2015 – June/2015

There was no need to hire a Project Manager for the Project which was extended to June/2015 only; to respond to a consultancy approved by GSSCPD for 3 months starting February/2015 to April/2015; hence there were no progress reports for that period.

During this period the monitoring and evaluation of the project was sustained by the Gender and Social Portfolio Team Sahar Shawa/ Programme Analyst and Heba Ghoniem/ Programme Associate.

A project board meeting was conducted on the 12th of May 2015 between the governmental counter partner GSSCPD and UNDP Programme Team to announce the closure of the project.

Sahar Shawa
Gender and Social Programme Analyst.
