

Note-To-File

Project ID #: 74036

Project Name: Kuwait Integrated Environmental Management System (KEIMS)

From: Qaiss Dashti, Program Analyst

Date: May 25th 2015

The KIEMS project ends on December 2014 based on the signed project document. Due to time and resources constrains, the KIEMS team requested an additional 3 months extension to complete all outputs of the project. The GSSCPD and KEPA have approved the extension till end of March 2015.
