Support to Agriculture and Rural Development in ATU Gagauzia and Taraclia district

Annual Work Plan 2018

Stefan Liller

UNDP Deputy Resident Representative Victor Dragutan, Cluster Lead A.I.

0.910

November 30th, 2017

EXPECTED OUTPUT	PLANNED ACTIVITIES	2017			Planned Budget Funding Source: Fund 30079, Donor 10159			
		Q1 Q:	12 Q	3 Q4	Code	Budget Description	Total USD 2018	Total Euro 2018
Component 1: Enhanced Dialogue and Community Empowerment	Output 1.1. Enhanced cooperation on Agriculture and Rural Development between national authorities and	regions	with:	special s	status			18/11/22
ndicators: 1. Number of joint activities organized with the participation of local, regional and national level natitutions	1.1.1 Review existing national and regional strategic documents (ARDS, Regional Development Strategies for Gagauzia and South Region, Socio-Economic Development Strategy for ATU Gaguazia etc.) in view of identifying opportunities for operationalizing the National Strategy for Agriculture and Rural Development in the targeted region.				7400		07040	
.2. Participatory community empowerment and capacity development process	1.1.2 Based on the identified needs, develop/update existing strategic documents with specific recommendations that will be considered for implementation (within the other two components)		+		7130	0 Local Consult.	87,912	
.3. # of communities with updated community profile, and/or local development strategies					7210	0 Contr. Serv Companies:	60,440	
.4. LAGs' members from target communes trained	1.1.3 Create a consultative group that will serve as a platform for communication, but also for ensuring a participatory process towards ARDS operationalization in the targeted region				7510	0 Facilities & Administr	10,385	
Targets LOP: 70 joint activities organised local, regional and national level institutions (missions, seminars, study							10,000	
.2. Comprehensive community participatory capacity development processes conducted in 30 communities across ATU Gagauzia, Taraclia and Transnistira (representing 50% from the total	1.1.5 Conduct learning, information sharing events, including study visits in communities outside target area, as well as in EU countries. Ensure mixed and balanced participation (both from sectorial point of view and representation of al targeted regions).							
argeted number)	Total Output 1.1						158,737	144,451
.3. Updated community profiles for 30 target localities, contributing to the development of local development strategies	Output 1.2. Strengthened and empowered local communities to actively participate in the decision making particularly the most vulnerable into the local development strategies	rocess a	and d	evelopm	ent of their lo	ocalities. To better integrate the ne	eds of women and	
.4. Enhanced capacity of newly created Local Action Groups (80% of LAGs members from target communes trained.	1.2.1. Organise community meetings to sensitize communities on participatory development process. Support the Creation of Action Groups. 1.2.2. Develop the capacities of local community actors (including CBOs) in local development by applying				72100	Contr. Serv.	65,934	
offinitures trained.	community mobilization for empowerment.		l lilia		72600	Grants for LAGs creation	65,934	
Fargets for 2018: 1.1. 20 joint activities organized local, regional and national level institutions (missions,	1.2.3. Conduct the community profile –complex in-depth analysis of the community.				75100	Facilities & Administr.	9,231	
seminars, study trips)	1.2.4. Technical assistance in development /updating of Local Development Strategies and Plans.							
1.2. Comprehensive community participatory capacity development processes conducted in 41 communities across ATU Gagauzia and Taraclia	1,2.5. Strengthen capacities of local action groups through training programs, on-going coaching and mentoring; training for preselected communities (LAGs) for development and implementation of project proposals.	23004H	HC4 (1 1)					
I.4. Enhanced capacity of newly created Local Action Groups (80% of LAGs members from arget communes trained)	1.2.6. Conduct knowledge sharing/peer review events with similar municipalities from outside targeted regions fostering exchange of practice and experiences, and promotion of confidence building measures within the country.							
	1.2.7. Advocacy, awareness-raising and knowledge generation on good governance, rights based and gender responsive local rural development.							
	Total Output 1.2	THE R. LEWIS CO., LANSING		1000			141,099	128,400
	TOTAL Component 1				ZL IIV, IV		299,836	272,851
Component 2: Local entrepreneurship and SMEs development	Output 2.1. Strengthened -rural business support infrastructure in targeted regions for SMEs development			114				A Supplied
ndicators: 2.1. Number of trainings conducted, existence of a training package aimed at raising rural businesses competitiveness 2.2. Number of sector business association strengthened 3.3. Number of people benefiting from enhance business support infrastructure	2.1.1. Conduct a review (capacity development needs assessment) of existing business support infrastructure in the targeted regions, identifying priority actions for supporting its development.							
Number of PPP agreements established between local authorities and business associations Number of officially registered unemployed					71300	Local Consult	12,637	

2.6. Number or new jobs generated disaggregated by sector and sub-sector, by sex, age and excluded groups and by wage category when available 2.7. Number of women and men benefiting from strengthened livelihoods 2.8. Existence of Comrat career advisory centre.	2.1.2. Develop an intervention package to enhance the capacity of the regional business support infrastructure; including trainings and technical assistance both at organizational level (regional Chamber of Commerce and Industry, Business Incubators etc.) and personal one (specialist business consultants).		
2.9. Number of direct beneficiaries successfully accomplishing SYSLAB programmes; % of employability rate, % of entrepreneurship rate			
Targets LOP: 2.1. Comprehensive capacity building activities conducted for strengthened rural business support infrastructure 2.2. At least 2 sector business associations supported and strengthened 2.3. 1,000 persons benefited from business support infrastructure 2.4. Improved cooperation between local authorities, businesses and civil society organizations			
2.5. Number of officially registered unemployed in TAU Gagauzia and Taraclia district decreased by at least 10%2.6. 100 new jobs created directly related to improved living conditions in rural areas		72100 Contr. Serv Companies	93,407
2.7. At least 5,000 women and men (50% women) benefiting from strengthened livelihoods 2.8. Fully functional Regional SYSLAB Center operating in Comrat, implementing the employability and entrepreneurship components; being connected and sharing best practices with the rest of the centers on same network	2.1.3. Provide targeted support for the creation of new rural businesses, including with start-up small grants, and mentoring capacity development activities, prioritizing women from rural areas and female-headed households.	1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1	30,101
2.9. At least 60 direct beneficiaries successfully pass the tailored trainings and coaching and success rate for employability of 60% and entrepreneurship of at least 10% is achieved.			
TARGETS FOR 2018 2.2 At least 2 Business and sectorial Associatons supported and strengthened;		72600 Grants	93,407
2.3 400 persons benefited from business support infrastructure; 2.4 Improved cooperation between local authorities, businesses and civil society organizations 2.5 Number of officially registered unemployed in TAU Gagauzia and Taraclia district decreased by at least 5%;	2.1.4. Support LPAs in the promotion of investment opportunities, and strengthen LPAs capacities to interact with businesses and local community members. Facilitate the improvement of the local business environment, in line with ARDS.		
2.6 50 new jobs created; 2.7 At least 3,000 women and men (50% women) benefiting from strengthened livelihoods; 2.8 Fully functional Regional SYSLAB Center operating in Comrat, implementing the employability and entrepreneurship components; being connected and sharing best practices with the rest of the centers on		75100 Facilities & Administr.	13,962
same network; 2.9.1 At least 90 direct beneficiaries (grantees) plus participants at the successfully pass the tailored trainings and coaching;			
2.9.2 Syslab success rate for employability of 60% and entrepreneurship of at least 10% achieved.
