

Gender Appraisal

Project n°. 8364-00/2018

Final Conclusion

From a gender point of view the project is recommended.

Marker Gender (GEN): 1

Recommendations, Conditions, Remarks

8364-00/2018 Empfehlung Gender Nr. 1

Recommendation

Kindly ensure to include detailed information on how you are addressing gender related barriers and discriminations through your project activities and how you strengthen gender equality through your activities. Kindly, as possible, show this through qualitative and quantitative data. Also mention lessons learned and good practices.
