## **ANNUAL WORKPLAN 2019**

Project Title: Strategic Management (SMU)

Project ID: 00114745 Output ID: 00112629

Duration of the Plan : Jan - Dec 2019

UNDP Strategic Plan Outcome 1 & 2 (Tier Three: Organizational Performance): 1. Accelerated delivery of top quality programmatic results for the SDGs 2, organizational efficiency and effectiveness for program delivery

## UNDP SP Output Indicators (Related to SMU):

- 1.1.1 Percentage of projects with outputs reported as achieved or on track
- 1.2.1 Percentage of expenditures with a significant gender component and with gender as a principal objective
- 1.2.4 Percentage of programmes/projects where south-south or triangular cooperation is used to achieve results
- 1.2.5 Percentage of projects that meet corporate social and environmental standards
- 1.2.6 Percentage of country offices that pilot and/or scale innovative tools and methodologies
- 1.3.1 Percentage of decentralized evaluations assessed which are rated of: satisfactory quality partially satisfactory quality including having met UNEG gender-related norms and standards
- 1.3.5 Implementation rate of agreed actions in evaluation management responses: decentralized evaluations independent evaluations
- 2.1.1 Percentage of partners perceiving UNDP as a valued partner to their organization
- 2.1.3 Size (in million US\$) and trend (in percentage) in funding disaggregated by partner: Governments Private sector (including foundations, NGOs, Multilaterals (EU, IFIs, and other multilaterals)
