7 November 2001

Mr. De Casterlé,

Subject: CCF Programme Cost-Sharing

*Jan Eullerby,*

I have the honour to acknowledge the receipt of your note of November 5, informing on the availability of US\$1,001,477 for additional and immediate programming under the current Mozambique/UNDP cooperation framework, and I thank you.

We appreciate your proposal regarding the distribution of these resources to the cost of producing the annual National Human Development Report (NHDR) and that for supporting the INGC on the Capacity Building for Disaster Management. In this regard, we further suggest that USD 408,000.00 could be allocated to INGC and USD 593,477.00 be allocated to the NHDR.

Please accept, Mr. Resident Representative, the assurances of my highest consideration.

Frances Rodrigues

Deputy Minister of Foreign Affairs and Cooperation
