Dear Miss Gan,

**BUDGET 2021: INTEGRATED ISLAND WASTE MANAGEMENT INITIATIVE- A  
COLLABORATION BETWEEN UNDP, STATE GOVERNMENT & TIC (TENGAH  
ISLAND CONSERVATION)**

During the tabling of Budget 2021, the Honorable Minister of Finance, Malaysia announced the **Integrated Island Waste Management Project focusing islands in Johor and Terengganu with an allocation of RM10 million.**

3. This project which is a collaboration between the United Nations Development Program (UNDP) and the Ministry of Finance (MOF) to pilot integrated island waste management on selected islands in Johor and Terengganu and is aimed at reducing the impact marine life and to upgrade the wellbeing of communities and surrounding eco system. For the implementation of the project, the Ministry of Finance would expect the participation of relevant Government entities particularly the respective state Government and for the Johor island, to involve the Tengah Island Conservation (TIC).

4. On the best effort and basis, the project should be targeted for completion within 7 months duration period (Jun – December 2021). As the appointed programme manager, UNDP will have to :

- (i) submit the Proposal & Project Timeline in phases;
- (ii) submit the Cash flow projection for both Johor & Terengganu; and
- (iii) submit quarterly progress report and final outcome report to NBO, MOF.

5. The allocation from the Government will be channeled by phases. MOF will first issue RM 5 Million to UNDP and balance allocation will be channeled based on actual cash flow requirement and progress of project. The Ministry of Finance, Malaysia would like to extend our gratitude to UNDP for embarking on this meaningful collaboration and looking forward to make this project a successful initiative as envisioned in Budget 2021.

Thank you
